## INSTRUCTIONS & GUIDANCE

Please complete the fields on the request form to the best of your ability. Be as specific as possible. Feel free to attach sheets of paper or information as necessary. If you require assistance in completing the form, please feel free to contact us using the contact information provided on the request form.

Some helpful tips in formulating a focused and effective request that reasonably describes an identifiable judicial administrative record or records and properly clarifies the nature of your request, pursuant to California Rules of Court (CRC), rule 10.500(e)(4)(D) and 10.500(e)(9):

1. Read CRC rule 10.500 and the information on California Court's website at <http://www.courts.ca.gov/home.htm>.
2. Whether the requested records will be used for your or someone else's trade, profit, or commercial interest.
3. Avoiding an overly broad request.
4. Specifying the types of records you are seeking and/or describing the underlying reason for your request.
5. What time-frame you are interested in for the records you are seeking. For example, records of X and Y, for January 1, 2010 to Present.
6. What specific types of records you are seeking (e.g. electronic, paper, emails, faxes, etc.; or vendor contacts, nonconfidential employee records, Judicial Council program factsheets, legislative reports, etc.).

While you are not required to complete the "name", "organization", "address", "zip code", "telephone number", or "email address" fields, we strongly recommend that you do so. Failure to do so could result in a delay processing your request. Additionally, doing so will allow us to contact you if we require clarification of your request. If we require clarification but are unable to contact you, your request may be closed for a lack of response.
